## CAMBRIDGE KIDS' COUNCIL

Contact: Mary Wong,  
Executive Director  
(617) 349-6239  
E-mail: mwong@cambridgema.gov

The Coordinating Council for Children, Youth and Families (Cambridge Kids' Council) is a City board dedicated to improving the quality of life for its children and their families through making policy recommendations and setting up programs and services. The Council brings together parents, community organizations, top City officials, and representatives of philanthropy, business, and universities to advocate for the well-being of Cambridge children.

**The three major initiatives of the Kids' Council to achieve its mission are:**

## Centers for Families

Centers for Families is an initiative to develop school-linked, neighborhood-based family support centers for all families, particularly those with children from birth to age 5. The initiative began with the establishment of the Center for Families of North Cambridge in 1995.

## The Agenda for Children

In 1997, the Agenda for Children was introduced to the City. Its mission is to bring together different city departments, community-based organizations, businesses, philanthropies, and residents to ensure that our City's children are healthy and successful in school while living in strong communities. A special feature of this initiative is *Community Engagement*, to ensure community involvement in the planning and implementation of the initiative. Through an extensive goal setting process, the Kids' Council selected two goals for collective action. The initiative is now working to implement action plans to achieve both goals.

### Goal #1

Children and their families will be able to read.

#### Objectives

- That parents and primary care givers be supported in their role as primary and continuous teachers of language.
- That childcare workers and teachers be supported in their role in developing literacy and have the necessary tools.
- That children have access to

necessary resources to practice literacy activities.

- That children who might experience difficulty learning to read and write be identified early and receive support.

119 Windsor Street, Ground Level  
Cambridge MA 02139  
Tel: (617) 665-3827  
E-mail: lellis@challiance.org

### Goal #2

Children and youth will have equal access to safe, stimulating, nurturing and healthful out-of-school time activities.

#### Objectives

- That families and service providers improve their connection to one another.
- That the service providers strengthen operational infrastructure through partnerships.
- That all programs strive for the highest quality through innovative programs.

Susan Richards Scott, Out-of-School Time Coordinator, 51 Inman Street Cambridge, MA 02139  
Tel: (617) 349-4099  
E-mail: sscott@cambridgema.gov

## Youth Participation Planning Initiative

Begun in the summer of 2002, this initiative is developing a comprehensive plan to engage the young people of Cambridge in the civic life of their City through the creation of opportunities for participation by youth. A Youth Involvement Subcommittee has been formed to work on this effort. The initiative began by recruiting 7<sup>th</sup> to 12<sup>th</sup> graders to join the subcommittee to participate in the long-term planning of the initiative. Ongoing recruitment of youth as well as parents to join the subcommittee will be conducted to ensure diverse representation and to strengthen youth-to-parent and adult connections.

The Kids' Council is working on several other efforts to respond to the needs facing our City's children. Parents and interested parties are invited to attend the Kids' Council meetings and participate in the Council's working groups. For additional information, please contact Mary Wong at (617) 349-6239 or mwong@cambridgema.gov

Cambridge, MA 02139

Contact: Carolyn Thompson or Michael Muehe, (617) 346-4692 (voice) or (617) 492-0235 (TTY)

(This TTY number is a dedicated phone line for people who are deaf or hard of hearing, or who have a disability that requires use of a text telephone.)

On October 9<sup>th</sup> at 5:30 p.m., the Commission hosts its annual disability and employment event at the Cambridge Senior Center, 806 Massachusetts Ave. in Central Square.

The Commission for Persons with Disabilities was established 1979 to act as a clearinghouse on disability and access issues throughout the City of Cambridge. We strive to eliminate discrimination against individuals with all types of disabilities – physical, mental and sensory. By raising awareness among the general public, including the business community, we seek to promote equal opportunity for people with disabilities in all aspects of Cambridge community life. The Commission also provides information, referral, guidance, and technical assistance to individuals and their families, employers, public agencies, businesses and private non-profit organizations. Examples of our ongoing work include:

- Work with various City departments to ensure compliance with the Americans with Disabilities Act (ADA),
- Issue temporary disability parking permits,
- Cosponsor the taxi discount coupon program with the Cambridge Council on Aging, and
- Facilitate additional accessible parking with the Traffic, Parking, and Transportation Department.

The goal of our 11-member citizen advisory board, comprised primarily of individuals with disabilities, is to maximize access for people with disabilities to all aspects of Cambridge community life. Our regularly scheduled Commission meetings, which always include an opportunity for public comment, are held at 5:30 p.m. on the second Thursday of each month. Our monthly newsletter, *AccessLetter*, provides information and news on a variety of disability related topics. #### Leaders in Action

The Leaders in Action Program is a training internship for youth aged 16-18 years. Each participant must attend biweekly trainings focused on self-awareness, career mapping, diversity, event planning, communication, promotion, time management, interviewing, conflict resolution and service-learning. Participants must also learn the administrative logistics of the Youth Center and attend weekly mentorship meetings with a Youth Center Director.

#### Create Organize Respond Evaluate: C.O.R.E.

The C.O.R.E. committee provides a forum for Youth Center members (aged 14-19) to raise questions, ideas and concerns regarding Center programs. This group empowers members to help plan events, discuss issues, share ideas and offer suggestions. Each Youth Center has five C.O.R.E. members who are led by a Program Director. Committee members meet bi-weekly and are an integral part of Youth Center program development.

#### Cambridge Neighborhood Service Project (NSP)

In partnership with the Office of Workforce Development, the Youth Programs develop a community service-learning project for youth aged 14+15 years old. The program is designed as a ten-week service-learning project with the focus on introducing young people to their community and the workforce at large.

Teens will also have an opportunity to participate in leadership development workshops, career development activities, and sports leagues such as volleyball, indoor soccer, basketball, and floor hockey.
